

applying differentiation strategies teacher pdf

I have alphabetized many different strategies that can be used to differentiate instruction. Below you will find brief definitions of various strategies, as well as web resources, worksheets, and additional information relating to each strategy.

Teaching/Integration Strategies - Jen Farr

Differentiated instruction and assessment, also known as differentiated learning or, in education, simply, differentiation, is a framework or philosophy for effective teaching that involves providing different students with different avenues to learning (often in the same classroom) in terms of: acquiring content; processing, constructing, or ...
