God Gone in 60 Seconds? Is there a quick disproof of God? Normally, I would not respond to much out there against God's existence that originates on the Internet. It just typically is a waste of time and lacks any academic rigor. The same is the case for the following "Why God is Impossible: A 60-Second Proof. ...

A favorite 60 seconds binary option trading strategy is to detect times when the price clearly rebounds against these resistance and support levels. New binary options should then be opened in the opposite direction to that in which the price was progressing before the rebound. For example, the following 60 seconds trading chart illustrates examples of opening both PUT and CALL binary options ...
