A recent raid history by Darrell Collins offers readers a fine comprehensive account, but Clay Cale's Gray Days in Morgantown: The Story of the Great Confederate Civil War Raid of April 27 and 28, 1863, Morgantown, Virginia (West Virginia) is a much more intimately focused work, recounting the raid's impact on a single community during two visits on consecutive days by Confederate cavalymen from William E. "Grumble" Jones's command.
