

grazer philosophische studien vol pdf

This special volume of "Grazer Philosophische Studien" features twelve original essays on the relationship between knowledge and questions, a topic of utmost importance to epistemology, philosophical logic, and the philosophy of language. It raises a great deal of issues in each of these fields and at their intersection, bearing, inter alia, on the theory of rational deliberation and inquiry ...

The Philosophische Rundschau (PhR) meets the demand for critical discussion. This journal follows the international publications in philosophy with a more general outlook on trends, schools and research programs and fulfills an important function in an age in which the unity of philosophy yields to ever growing specialization in isolated disciplines as well as national traditions.
