Real Food in The 104 Homestead's Kitchen

Food Preservation. Not too long ago food preservation meant survival. With modern grocery stores everywhere, we seem to no longer feel the need to teach these skills, of years past, to our children.

Introduction to Food Preservation - Mama's Homestead

Freezers (and refrigerators) have been an integral appliance for food preservation for over 100 years. It wasn't until the 1940s that the separated fridge and freezer units were created but even before then, iceboxes were a go-to for keeping things cool and lasting longer. The homestead freezer has a
