This presentation introduces a guideline for conducting an effective literature review. The target audience is research based postgraduate students, researchers who are constantly struggling with ...

(PDF) Approach to Conduct an Effective Literature Review

How to Conduct a Literature Review A literature review is a critical consideration of the work by authors and researchers who have written on a particular topic. IT involves synthesising these writings so that a "picture" of the issue under review forms. Therefore, it requires you to use summarising, analytical and evaluative skills. The effectiveness of these will, to a large extent ...
