PLAY IS A CHILD'S WORK. PLAY IS IMPORTANT for children's development and for children to bond. It offers a chance to connect with your child.

The Importance of Play in Early Childhood Development

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for ...
