

post cold war europe pdf

The Cold War was a state of geopolitical tension between the Soviet Union with its satellite states (the Eastern Bloc), and the United States with its allies (the Western Bloc) after World War II.

Cold War - Wikipedia

A post-war period or postwar period is the interval immediately following the end of a war. A post-war period can become an interwar period or interbellum, when a war between the same parties resumes at a later date (e.g., the period between World War I and World War II).

Post-war - Wikipedia

As an aside, though also related, in terms of the economic situation, it has been common, as the above briefing is titled, to blame the victim on causes of poverty, corruption, lack of development, and so forth.

Conflicts in Africa – Introduction – Global Issues

A good working definition of the Cold War could go like this: Competition between the Soviet Union and the United States over ideologies, through other countries, without direct armed conflict

What started the Cold War? Events that took place between

On Monday, I posted my nominees for ten Cold War histories worth reading. But many people don't have the time or patience to plow through comprehensive histories.
