The Youth Program Quality Assessment (PQA) Â® is a validated instrument designed to measure the quality of youth programs and identify staff training needs.

Youth Program Quality Assessment - CYPQ

Teacher quality assessment commonly includes reviews of qualifications, tests of teacher knowledge, observations of practice, and measurements of student learning gains.

Teacher quality assessment - Wikipedia

There are few widely acknowledged quality standards for research practice, and few definitions of what constitutes good research. The overall aim was therefore to describe what constitutes research, and then to use this description to develop a model of research practice and to define concepts related to its quality.

Evaluating research: A multidisciplinary approach to

The National General Practice Accreditation Scheme. The National General Practice Accreditation Scheme supports the consistent assessment of Australian general practices against the Royal Australian College of General Practitioners (RACGP) Standards for general practice.
