

### **questioning identity gender class pdf**

Gender identity is the personal sense of one's own gender. Gender identity can correlate with assigned sex at birth, or can differ from it. All societies have a set of gender categories that can serve as the basis of the formation of a person's social identity in relation to other members of society. In most societies, there is a basic division ...

### **Gender identity - Wikipedia**

Identity politics are political positions based on the interests and perspectives of social groups with which people identify. Identity politics includes the ways in which people's politics are shaped by aspects of their identity through loosely [clarification needed] correlated social organizations.

Gender identity haunts every aspect of our lives, dictating the outcomes of our conversations, our workplaces, our relationships – even our bath products. Before most infants are named, they are assigned a sex based on the appearance of their external genitalia by a third party. These decisions are dolled out in a typically binary fashion ...
