Historians, political scientists and philosophers have studied Nazism with a specific focus on its religious and pseudo-religious aspects. It has been debated whether Nazism would constitute a political religion, and there has also been research on the millenarian, messianic, and occult or esoteric aspects of Nazism.

Religious aspects of Nazism - Wikipedia

A religious experience (sometimes known as a spiritual experience, sacred experience, or mystical experience) is a subjective experience which is interpreted within a religious framework. The concept originated in the 19th century, as a defense against the growing rationalism of Western society. William James popularised the concept.
